FEBRUARY 2025 vol. XXXVIII no.2

FSPCA Training

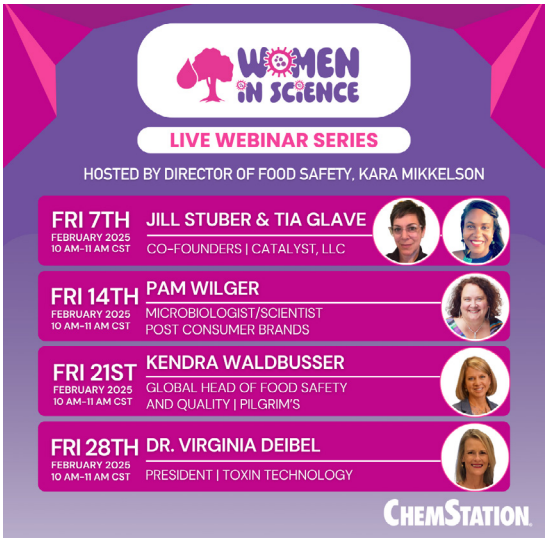

ChemStation's Director of Food Safety, Kara Mikkelson, invites you to enhance your food safety expertise with FSPCA Certification! Are you ready to elevate your knowledge and meet FDA requirements as a Preventive Controls Qualified Individual (PCQI)? ChemStation's Eagle Team is excited to offer the FSPCA Preventive Controls for Human Food online course (Version 2.0), the FDA-recognized curriculum for food safety professionals.

Course Dates:
March 24-26, 2025 | June 9-11, 2025 | September 15-17, 2025 | December 15-17, 2025

Duration: 8 AM - 5 PM CT each day

Format: Live, web-based (webcam required)

Space is limited – only 40 participants per session! Secure your spot now and take the first step toward becoming a PCQI. Click here to register!

Women in Science Webinars

This February marks the second year of our special webinar series highlighting trailblazing women in food science. Join us every Friday in February at 10:00am CT / 11:00am ET for an inspiring one-hour session featuring accomplished women scientists. These experts will share their journeys, challenges, and advice for future scientists. Don't miss out!

Click the links below to register for free:
Friday, February 7th – Jill Stuber and Tia Glave of Catalyst, LLC
Friday, February 14th – Pam Wilger of Post Consumer Brands
Friday, February 21st – Kendra Waldbusser of Pilgrim's
Friday, February 28th – Dr. Virginia Deibel of Toxin Technology Laboratory

RFA Annual Conference

The Refrigerated Foods Association's 44th Annual Conference & Exhibition takes place February 16-19 at the JW Marriott Bonnet Creek Resort & Spa in Orlando, FL. The RFA is an organization of manufacturers and suppliers of prepared, refrigerated food products united by a common interest: to advance and safeguard the industry.

ChemStation is an RFA member and we are proud to be participating in the Exhibit Reception on February 17, so be sure to visit our display in Booth #208 if you are attending this year's RFA Conference.

Goals are like a map. They help us determine where we want to end up, and give us personal direction on which to focus our energy.
– Catherine Pulsifer

When obstacles arise, you change your direction to reach your goal; you do not change your decision to get there.
– Zig Ziglar

I'm a great believer in luck, and I find the harder I work the more I have of it.
– Thomas Jefferson
