## Upcoming FSPCA Training – June 9–11

Are you ready to elevate your knowledge and meet FDA requirements as a Preventive Controls Qualified Individual (PCQI)? ChemStation's Eagle Team is excited to offer the FSPCA Preventive Controls for Human Food online course (Version 2.0), the FDA-recognized curriculum for food safety professionals, on June 9-11, 2025. The training will also be offered in September and December.

**Duration:** 8 AM - 5 PM CT each day
**Format:** Live, web-based (webcam required)

Space is limited – only 40 participants per session! Secure your spot now and take the first step toward becoming a PCQI. Click here to register!

## ChemStation Safety Video Now Available

Safety is an important part of daily activities when working with chemicals. To help ensure your employees are mixing, applying, and handling chemicals in a safe manner, ChemStation created a new Chemical Safety Training Video – available on the Chem U for Customers page of our website.

This twenty-seven-minute video is an overview of chemical labels, Safety Data Sheets (SDS), and a brief overview of chemicals and chemical safety. It also includes a twenty-question quiz at the end.

Check it out!
